# ACCESSIBILITY CONSULTING & ACTION PLANS

We follow the **“PLAN, DO, CHECK, ACT”** cycle to effect change and will work with your team to...

- Review your current state against provincial and federal accessibility legislation (AODA, ACA etc...)
- Prepare a gap analysis
- Identify strengths and opportunities
- Create an Action Plan and subsequent required progress reviews
- Coach you during the implementation process
- Provide training for your organization
- Measure outcomes and provide feedback
